**American College of
 Foot and Ankle Surgeons®**
Proven leaders. Lifelong learners. Changing lives.

Never stop innovating

Our commitment to foot and ankle is only growing stronger, and it doesn't stop here.
Every procedure. Every patient. Every day.

Total Ankle Replacement

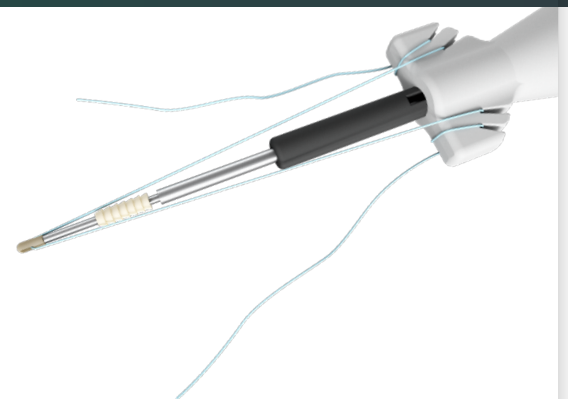

Pulse Intelligent Delivery Platform™

PROstep® Minimally Invasive Surgery

Citrefix™ Suture Anchor System

The information contained in this document is intended for healthcare professionals only. A surgeon must always rely on his or her own professional clinical judgment when deciding whether to use a particular product when treating a particular patient. Stryker does not dispense medical advice and recommends that surgeons be trained in the use of any particular product before using it in surgery.

The information presented is intended to demonstrate the breadth of Stryker's product offerings. A surgeon must always refer to the package insert, product label and/or instructions for use before using any of Stryker's products. Products may not be available in all markets because product availability is subject to the regulatory and/or medical practices in individual markets. Please contact your sales representative if you have questions about the availability of products in your area.

Diagnostic Excellence, Innovation, & Education

Bako Diagnostics is the Nation's Premier Lab for Today's Podiatric Medical Professionals

Leader in podiatric nail, skin, soft tissue, and bone pathology

Full-service diagnostic testing including: Anatomic Pathology, DNA (PCR), Microbiology, and ENFD

In-network with more than 250 million covered lives including all five national health plans

Continued dedication to advancing podiatric education

Pioneers in research and development driving proprietary testing techniques

Board-certified team of dermatopathologists and pathologists at your service

We ARE Podiatric, Pathology, and Therapeutics!

BOARD OF DIRECTORS

2023-2024 Board of Directors

President

Eric A. Barp, DPM, FACFAS

President-Elect

George T. Liu, DPM, FACFAS

Secretary-Treasurer

Alan M. Ng, DPM, FACFAS

Immediate Past President

Michael J. Cornelison, DPM, FACFAS

Directors

Shane M. Hollawell, DPM, FACFAS

Alan A. MacGill, DPM, FACFAS

Andrew J. Meyr, DPM, FACFAS

Jason A. Piraino, DPM, FACFAS

Amber M. Shane, DPM, FACFAS

Gregory P. Still, DPM, FACFAS

Matthew E. Williams, DPM, FACFAS

ANNUAL SCIENTIFIC CONFERENCE PROGRAM COMMITTEE

Conference Chair: Ryan B. Rigby,
DPM, FACFAS

Michael W. Downey, DPM, FACFAS

SPECIAL EVENTS

THURSDAY, FEBRUARY 1

5:15–6:15 pm

Resident and Student Club Member Reception

Tampa Marriott–Terrace Room

By invitation only. ACFAS and ABFAS Board members will greet invited residents and students. Join your professional peers for an exciting evening of food, beverages and prizes! Sponsored in part by ABFAS.

AMERICAN BOARD OF
FOOT AND ANKLE SURGERY

6:15–7:30 pm

ACFAS 2024 Welcome Reception

Tampa Marriott–Anchor and Brine Bar and Restaurant

Relax and reconnect with your colleagues before heading out to dinner. Meet and greet classmates, colleagues, and new friends, while enjoying an assortment of great food, beverages, and music.

FRIDAY, FEBRUARY 2

12:00–1:00 pm

ACFAS Honors and Awards Ceremony

Ballroom B

Celebrate your colleagues! Manuscript, Poster, Honor, and Merit Awards will be announced and the year's best research will be recognized. In addition, new Fellows will be presented their College keys and the 2024-2025 Board of Directors will be introduced.

1:00–2:00 pm

Poster Grand Rounds–Meet the Authors

Exhibit Hall

Don't miss the profession's largest scientific poster display with award winning research studies from around the world. Authors are encouraged to be at their display to answer questions.

SATURDAY, FEBRUARY 3

6:30–7:30 am

Fellowship Breakfast Fair

Ballroom D, by invitation only

Are you considering a fellowship after residency? Here's your chance to learn about many of the 59 ACFAS-status fellowship programs. All student, resident and post graduate fellow attendees are invited to grab a coffee and chat with various program directors and current fellows. The 2024 ACFAS Fellowship Breakfast Fair is generously supported by PICA.

7:00 pm

Wrap Party

American Social Bar and Kitchen

Join your friends and colleagues for one last night of fun as we close out ACFAS 2024 in style at American Social Bar and Kitchen!

REGION MEMBERSHIP MEETINGS

Want to know about ACFAS activities close to home? Your ACFAS Regions are holding Annual Membership Meetings to share their 2024 plans for grassroots educational events and support of local schools, residencies and fellowships.

Attending your meeting will put you in a drawing for one of nine 2nd Generation AirPods Pros! You must be present to win, so don't miss out!

THURSDAY, FEBRUARY 1 | 1:00–2:00 PM

- Southeast Region (FL, GA, PR)..... Room 111
- Tri-State Region (DE, NJ, PA) Room 112
- Midwest Region (IL, IA, MN, MO, WI)..... Room 113

FRIDAY, FEBRUARY 2 | 1:00–2:00 PM

- Mid-Atlantic Region (MD, NC, SC, TN, VA, DC, WV)..... Room 111
- Pacific Region (AK, CA, GU, HI, OR, WA, BC) Room 112
- Gulf States Region (AL, AR, LA, MS, OK, TX) Room 113

SATURDAY, FEBRUARY 3 | 1:00–2:00 PM

- Big West Region (AB, AZ, CO, ID, KS, MT, NE, NV, NM, ND, SD, UT, WY) Room 111
- Great Lakes Region (IN, KY, MI, OH) Room 112
- Northeast Region (CT, ME, MA, NH, NY, ON, QC, RI, VT) Room 113

Lapiplasty® Just Got Even **Better.**

Introducing
SpeedPlate™
Rapid Compression Implants

Designed to deliver the stability of a titanium locking plate* with the speed and compression of a staple.

The ACFAS HUB returns for 2024! Come and join your peers in the go-to area of the exhibit floor to engage in a variety of lively and timely discussions. Our open-space theater is the place to find topics that you won't find elsewhere at the conference!

Time	Thursday	Friday	Saturday
10:00 am		ACFAS Chris Mahaffey Leadership Development Program	ACFAS Fellowship Initiative: Program Directors Meeting
11:00 am	Contract Negotiations		Ancillary Revenue
12:00 pm	Mid-Career Crisis: What Do You Do When You Have Reached Your Goals?		Seeking a Fellowship? What You Should Know
1:00 pm	JFAS & FASTERAC–Publish More Efficiently: Know What JFAS and FASTERAC Want	Amgen Therapeutics Session	Everything You Needed to Know About ABFAS Board Certification
2:00 pm	ACUMED Product Theater Presentation: Forward Strides in Lisfranc Solutions	Residency Directors Panel Discussion	
3:00 pm	From Hashtags to Health: The Social Media Prescription	Journey to Financial Independence	

Sponsored by  **PICA**
Treated Fairly

THE HUB SCHEDULE | THURSDAY, FEBRUARY 1

11:00 am

Contract Negotiations

When and how can you negotiate a contract? When is the appropriate time to start discussing an offer of employment? Are there non-negotiables? Learn how to successfully negotiate a contract that will leave both parties as a winner!

Maryellen P. Brucato, DPM, FACFAS

Ellianne M. Nasser, DPM, FACFAS

Bela A. Pandit, DPM, FACFAS

12:00 pm

Mid-Career Crisis: What Do You Do When You Have Reached Your Goals?

So you have survived residency and through the honeymoon stages of your new position as a surgical podiatrist. Now what? You survived the board certification process and have a steady practice with a fantastic referral base in a location where you and your family have become established. Now what? How do you keep the excitement in your practice, career, and life? How do you keep up with the new graduates and their education without feeling imposter syndrome? Come join us as we share tips and trades on surviving the mid-career struggles and successes.

Brian Derner, DPM, FACFAS, Moderator

Jacqueline Kathryn Donovan, DPM, FACFAS

Erin Robles-Sherman, DPM, FACFAS

Gregory P. Still, DPM, FACFAS

1:00 pm

JFAS & FASTERAC—Publish More Efficiently: Know What JFAS and FASTERAC Want

Looking to get published in an ACFAS scientific journal? Hear from the editors of both JFAS and FASTERAC who will help explain which journal may be best for your specific article, share the list of research and topics of interest for both publications, as well as talk about the submission process and identify ways to speed up the process from an author's point of view.

Naohiro Shibuya, DPM, MS, FACFAS

Thomas S. Roukis, DPM, PhD, FACFAS

2:00 pm

ACUMED Product Theater Presentation: Forward Strides in Lisfranc Solutions

Join us for an exclusive industry innovation session focused on Lisfranc injuries and cutting-edge treatment options, led by Dr. Lawrence Fallat. In this session, attendees will have the opportunity to explore Acumed's latest portfolio offering the most comprehensive implant selection for Lisfranc fractures, dislocations, and fusions. Dr. Fallat will guide this session, offering invaluable insights into the product's standout features, its competitive edge compared to existing solutions, and sharing compelling case studies that highlight Acumed's new offering.

Lawrence Fallat, DPM

3:00 pm

The Intersection of Social Media & Healthcare

1. Discuss the importance of leveraging social media to provide better healthcare
2. Patient empowerment—discuss how patients rely on social media and reviews to choose doctors (will provide numbers and infographics)
3. How to safeguard from privacy concerns and protect HIPAA
4. Staying professional—tips for content creation and reputation management.

Krupa Patel, DPM, FACFAS

Luke D. Cicchinelli, DPM, FACFAS

THE HUB SCHEDULE | FRIDAY, FEBRUARY 2

10:00 am

ACFAS Chris Mahaffey Leadership Development Program

Are you interested in spreading your wings and becoming a leader in your profession? Attend this HUB session to learn more about the ACFAS Chris Mahaffey Leadership Development Program. This program helps its audience to develop the key skills needed to succeed as leaders and ambassadors of the profession while infusing the diversity and talent of future leaders into the ACFAS volunteer pipeline. Panelists include three members of the first cohort to go through the program: hear about their experiences from the application process and requirements, mentorship opportunity, monthly learning modules and overall lessons learned. The application for the second cohort of the program will open in February 2024.

Laura Elizabeth Sansosti, DPM, FACFAS, Moderator
Caroline R. Kiser, DPM, FACFAS
Mark E. Solomon, DPM, FACFAS
James H. Whelan, DPM, FACFAS

1:00 pm

2:00 pm

Residency Directors Panel Discussion

Our residency directors' panel is back for another year to answer all your questions from how to stand out as an applicant to ways to ace the interview! We will begin with a presentation covering the process from externships to intern year. Although CPME standards are the same for all programs, programs can be quite unique and different from one another. The goal of this session is to get direct insights from some residency program directors, understand the residency applicants' selection strategies and to ensure that you have as much information as possible before making your "Match" list.

Questions/Topics addressed will include:

- Understanding the differing requirements for residency programs.
- Determining which residency program is the best fit for you.
- Figuring out what you want from a residency program.
- Ways to stand out as a podiatric student applicant.
- Interview process—keys to success and winning them over.
- Tips on transitioning into the role of a resident and maintaining the work-life balance.

3:00 pm

Journey to Financial Independence

Financial planning is an arduous process that is commonly dismissed, oftentimes taking the back seat to the burdens of residency or a busy practice schedule. Unfortunately, there is a stifling amount of misinformation out there and it is important to remember that not one scenario works for everyone. Student loan repayment is often a topic that weighs heavily on new physicians and the various options on how to appropriately navigate repayment strategies can affect your journey to financial freedom. Negotiating insurance policies such as disability, life and malpractice tend to be convoluted with confusing terminology and seem overwhelming but are crucial to establishing financial security. Join us during this HUB session to learn how you can create a financial plan to set you and your family up for success and start you on your journey to financial independence.

Colin M. Mizuo, DPM, FACFAS, Moderator
Amir D. Assili, DPM, FACFAS
Jacqueline Kathryn Donovan, DPM, FACFAS
Christopher Hayes, Partner, Doctors Disability Specialists

THE HUB SCHEDULE | SATURDAY, FEBRUARY 3

10:00 am

ACFAS Fellowship Initiative: Program Directors Meeting

Fellowships have expanded by leaps and bounds since the ACFAS Recognized Fellowship Initiative was launched in 2010. This session will discuss the current status of the initiative; share any changes to the “Minimal Criteria for Recognized Fellowships” listing; and will provide time for open Q&A. There will also be a brief discussion on the provision of insurance tail coverage to fellows.

Jayson N. Atves, DPM, FACFAS, Moderator

Ancillary Revenue

There is a giant world of ancillary services to provide in your practice. Learn how to invest, incorporate, and successfully implement these services to enhance patient outcomes and your bottom line!

Maryellen P. Brucato, DPM, FACFAS

Bela A. Pandit, DPM, FACFAS

12:00 pm

Seeking a Fellowship? What You Should Know

Deciding to participate in a fellowship is a challenging and exciting decision! Current and recent fellows will discuss everything from when to apply, how to market yourself, what decision process they used to choose the ‘right’ one, and ultimately how to review your fellowship contract to avoid surprises in the future. This session gives residents and students the ability to ask questions to panelist about the process of interviewing and deciding on a fellowship in a non-intimidating environment. We will also include helpful information on reviewing the fellow contract so attendees will be better informed and understand concepts like non-compete clauses and malpractice coverage.

8:00 am–1:00 pm**Evans Calcaneal Osteotomy/TMT Fusion (Cadaveric)* (WK01)****Room 124**

Case Presentation

Evans Calcaneal Osteotomy with Allogenic Bone Graft AND Porous Titanium Wedge

First Metatarsal Cuneiform Fusion without & with Allogenic Bone Graft

Michael A. Gentile, DPM, FACFAS, Chair**Ronald G. Ray, DPM, FACFAS, Co-Chair****Bradley Abicht, DPM, FACFAS****Joshua A. Sebag, DPM, FACFAS****Brett Sachs, DPM, FACFAS****Gage Caudell, DPM, FACFAS****Jennifer Van, DPM, FACFAS****8:00 am–5:30 pm****Coding and Billing for the Foot and Ankle Surgeon* (CB)****Ballroom D**

Get properly reimbursed for the care you provide! Hear what's new in coding as you participate in surgical coding scenarios including forefoot reconstruction, arthrodesis, office procedures, rearfoot and ankle reconstruction, tendon surgery, arthroscopy, trauma and diabetic foot surgery.

Jacqueline Reiss-Kravitz, CPC, AAPC Fellow**Scott Nelson, DPM, FACFAS****8:00 am–1:30 pm****2024 Residents Day* (RD/RDCF)****Rooms 118-119**

This year's Resident's Day highlights some of the hot topics circulating amongst today's future foot and ankle surgeons, featuring topics such as strategies to set you on the path to financial independence. Also, you'll learn how to effectively promote yourself in your medical community using conventional methods and newer social media platforms while also protecting yourself from possible legal ramifications. Residents Day will continue with several sessions focusing on post-residency life such as picking the right practice setting and what to expect your first year out in practice. And finally, join us to learn how you can become a future leader in the field and foster relationships that will last you throughout your career.

11:30 am–6:30 pm**Residency Directors' Forum* (RDF)****Rooms 114-117**

Co-hosted by ACFAS and the Council of Teaching Hospitals (COTH).

The 2024 Residency Directors Forum includes several panel discussions with the aim to provide a venue to exchange knowledge and wisdom among our residency directors. The Forum will focus on faculty development and will cover topics such as identifying and managing current challenges in education, exploring tips and techniques to enhance resident teaching, and learning more about legal aspect of administrating a residency program. The Forum will also have a mock showcase of a Residency Review Committee's (RRC's) program approval process.

This educational activity has been supported in part by monetary educational grants from Organogenesis and Stryker.

1:00–5:00 pm

External Fixation (Cadaveric)* (WK02) Room 122

Principles of External Fixation
Safe Zone Anatomical Placement
Static vs. Dynamic Frames
Indication and Usage
Complication Management
Distraction Osteogenesis

Clubfoot/Vertical Talus Workshop* (WK08) Room 122

This is an instructional workshop which includes educational talks by experts in the field of pediatric congenital deformities. Educational talks are centered around all clubfoot subsets and vertical talus. Topics such as clubfoot casting and surgical “a la carte” approaches to clubfoot recurrences will be discussed. This workshop also includes instruction on vertical talus using the Dobbs method. Complications of casting and navigating such deformities will be discussed. The second portion of this workshop allows for a hands-on experience to clubfoot casting. We aim to provide mentorship for participants interested in treating congenital deformities.

MIS FiberTak[®] Achilles SpeedBridge[™]

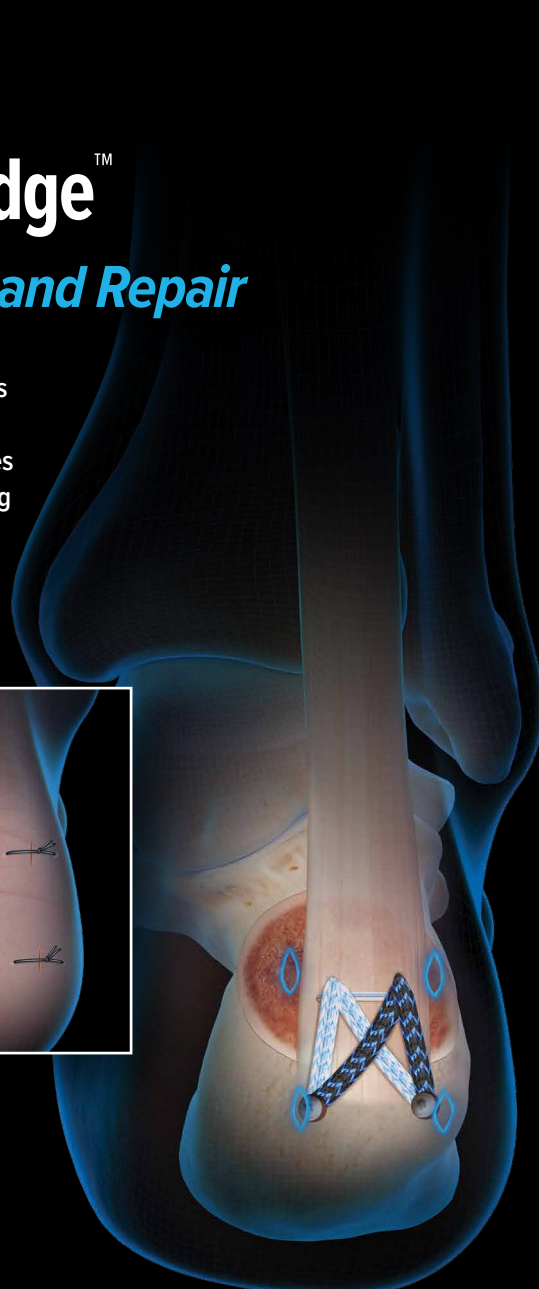

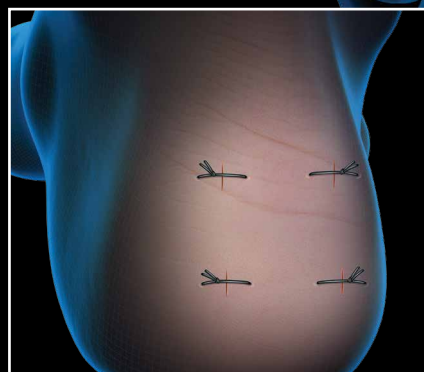

Percutaneous FiberTape[®] Compression and Repair

The MIS FiberTak Achilles SpeedBridge repair implant system enables an hourglass pattern of FiberTape suture and knotless rip-stop sutures to be laid over the tendon's distal end in a completely knotless 4-anchor configuration. It also provides rigid tendon fixation with improved tendon-to-bone opposition, potentially allowing for immediate postoperative weightbearing and range of motion.¹

2.6 mm Knotless FiberTak anchors for proximal fixation (x2)

DX 3.9 mm BioComposite SwiveLock[®] anchors for distal fixation (x2)

MIS FiberTak Achilles SpeedBridge Features

- Four small poke holes
- 25% less implant material than the 4.75 mm SwiveLock Achilles SpeedBridge construct
- Knotless rip-stop doubles the biomechanical strength²
- Collagen-coated 1.7 mm FiberTape suture
- Cannulated instrumentation for percutaneous approach

MIS FiberTak Achilles SpeedBridge Kit

LEARNING OBJECTIVES

Attendees of the American College of Foot and Ankle Surgeons Annual Scientific Conference will be able to:

Understand deformities of the foot and ankle that cause functional abnormalities and pain.

The panel of experts will review clinical diagnosis and the surgical management of the pediatric and the adult flatfoot and cavus foot. Operative interventions will be discussed including procedure selection and description of the accepted techniques. Pitfalls and complications of deformity correction will be discussed.

Appreciate the medical conditions leading to pathology in the foot and ankle.

The attendee will appreciate the underlying systemic diseases that affect planning and outcomes of surgical intervention. The attendee will identify common manifestations of systemic diseases in the lower extremity as well as understand how to prevent the complications related to these systemic diseases.

Evaluate and treat.

The attendee will become familiar with the clinical criteria used to evaluate and treat forefoot, midfoot, rearfoot, and ankle pathologies. Conservative and surgical treatments will be based on evidence-based literature and clinical knowledge provided from expert panels.

Utilize evidence-based guidelines on reducing operative complications.

The attendee will learn risk factors for undesirable outcomes in foot and ankle surgeries. The expert will discuss how those risk factors can apply to different patient populations.

Understand pathologies leading to foot and ankle pain and deformity.

The attendee will learn systematic approaches for evaluation of foot and ankle deformity as well as understand concomitant pathomechanics. The selection of diagnostic imaging modalities and how these studies influence the treatment method will be discussed. The content experts will review the trending research to help guide best standards of practice.

Treat traumatic injuries of the foot and ankle.

The attendee will recognize the various traumatic injuries and fractures that occur in the foot and ankle. The panel of experts will discuss diagnostic studies, surgical planning, surgical technique, and rehabilitation practices to manage these injuries.

Understand best practice guidelines and accepted practices.

Based on the clinical experiences of the panel of experts and the conclusions of the medical literature, the attendee will become familiar with optimal management strategies of foot and ankle conditions. The experts will discuss the current guidelines and consensus and explain how to apply them in a daily clinical practice.

Recognize pediatric deformities presenting in the foot and ankle.

The attendee will recognize common of pediatric foot and ankle deformities. Clinical diagnosis, proper selection of surgical procedures, and timing and techniques will be emphasized to demonstrate proper management of pediatric foot and ankle pathologies.

Examine the role of imaging in diagnosing foot and ankle conditions.

The attendee will examine the available imaging studies to effectively evaluate foot and ankle abnormalities and treatment planning. Manage patient cases involving staging principles, positioning, and fluoroscopy methods.

Develop and refine surgical acumen and skills through lectures and workshops.

Attendees will learn surgical techniques through hands-on workshops emphasizing tissue handling, use of latest implant, and prevention of complications guided by experts in the field.

Establish ethical practices.

The attendee will be exposed to common ethical considerations relating to the practice of medicine and understand the multifaceted nature of the doctor-patient relationship. The changing landscape of healthcare with the influence of e-visits, social media, healthcare policy, and digitalization of medical records will be discussed.

GENERAL INFORMATION

The ACFAS Annual Scientific Conference is made available as an educational service to its members and other members of the medical profession. ACFAS has not independently evaluated the content or techniques discussed or demonstrated by any faculty member. ACFAS does not warrant or endorse any content or technique discussed or demonstrated by any faculty member.

Statements about commercial products are solely the opinion(s) of the presenter(s) and do not represent a College endorsement or evaluation of these products. Additionally, any instrumentation shown/demonstrated during this program may or may not have received FDA approval.

Photographs/Videos

Audio/video taping or recording or photographing of sessions is prohibited. ACFAS routinely takes photos or video of participants in meetings and other conference venues for news and other purposes. By registering for the conference, you grant ACFAS permission to utilize photos of you taken at the conference for ACFAS purposes.

Tax Deduction for Education Purposes

In the United States, an income tax deduction may be allowed for education expenses undertaken to maintain or improve professional skills. This includes registration, travel, meals, and lodging, subject to applicable limitations (see Treas. Reg. 1.162-5; *Coughlin v. Commissioner*, 203 F.2d 307 (2d Cir.1953)).

Conditions of Registration and Attendance

To protect the rights of our exhibitors and the value of our exhibit space, the ACFAS Annual Scientific Conference and the meeting space in which ACFAS events are conducted are not to be used as a venue for marketing products, services, meetings, publications, sponsorships, or memberships except for authorized organizations that purchase exhibit space. Any non-exhibitor found to be in violation of this policy shall be invoiced the fee for one exhibit booth and shall not be admitted to the exhibit hall until such fee is paid in full regardless of membership status.

ACFAS reserves the right to regulate the use of all hotel space in which ACFAS events are conducted, including but not limited to the distribution of promotional materials to guest or meeting rooms. Meeting rooms and hospitality suites may be available for rental by exhibitors and/or organizations authorized by ACFAS.

Speakers are requested not to promote non-ACFAS programs since the College cannot attest to the content or quality of such events and such promotion could be interpreted as an endorsement of said event(s).

ACFAS reserves exclusive right to modify, postpone/reschedule or cancel programs for any reason, including but not limited to emergency, inclement weather, or other 'acts of God.' Every attempt will be made to reschedule and registration fees will be applied to the rescheduled event date. Any travel, lodging, or incidental expenses incurred cannot be refunded by ACFAS under any circumstance. You may wish to consider personal travel insurance for such expenses. If a canceled event cannot be rescheduled, ACFAS will determine an equitable basis for the refund of a portion, or all, of the registration fee.
