Consultant: Arthrosurface, Ossio
Board of Directors: CPME, ABFAS
Editorial Board: JFAS

Jason Piraino, DPM, FACFAS
Intellectual Property Rights: Temple University

3

3

CPME Milestones??

- Where is CPME on the implementation of milestones
- Are we following the ACGME?
- Is there time to change or have more open discussion about implementation of the milestones program for CPME

4

4

Orthopaedic Surgery Milestones

ACGME Milestones

Paul J Dougherty MD, FAOA, FACS
Chair, Department of Orthopaedic Surgery
Residency Program Director

5

5

Next Accreditation System-2013

- Are these the steps CPME took when developing
- NEJM article 2012
- Yearly Data reviewed by the Residency Review Committee
- Comprehensive Site visit every ten years
- Milestones a part

The article can be found at: <http://www.acgme-nas.org/assets/pdf/NEJMfinal.pdf>

6

6

Milestones 1.0

- How many topics does CPME envision
- Will the Milestones from CPME be a good cross section of a general Podiatric surgeons?
- Are these milestones similar

- 17 topics
- 32 procedures
- Assessment tools lacking

UFHealth
American College of Foot and Ankle Surgeons®

7

Milestones 1.0 Ankle Fracture

- Did the CPME take into consideration the potential time burden on programs and program directors
- How does CPME plan on dealing with Privacy

UFHealth
American College of Foot and Ankle Surgeons®

8

Milestones 1.0 problems

- Does CPME have a simplified reporting structure
- Does the CPME plan on building in to its Milestones this type of inconsistency and allowing programs to decide their own Milestones?

- While reasonable behavior anchors, no assessment tools
- Variation in faculty and resident opinions
- Extensive time burden uploading data
- Privacy

UFHealth
American College of Foot and Ankle Surgeons®

9

Milestones 2.0-Problems

- Did CPME take the failures Dr. Dougherty discussed in Orthopaedic Milestones into consideration
- Will we develop agreed upon knowledge and skills across the board prior to implementing the milestones?
- Dont we need better assessment tools? What tools do we currently use or have?

- Faculty need to develop a "shared mental model" of what a resident looks like
- Core topics/procedures are chosen by program
- Assessment tools still lacking
- Privacy
