

Diabetic Deformity: Master Techniques in Reconstruction (Cadaveric)

Wednesday, February 26, 2014

7:30 am – 12:00 Noon

4 Continuing Education Contact Hours | Maximum enrollment: 25 registrants

7:00 – 7:30 am

Check-in

7:30 – 8:30 am

Lecture/Continental Breakfast

8:30 am – 12:00 Noon

Wet Lab

- **Posterior Muscle Group Lengthening**
 - Percutaneous TAL
 - Gastrocnemius Recession
- **Forefoot & Midfoot Osteotomies**
 - Shortening and Dorsiflexory Osteotomies of the Forefoot
 - Metatarsal Head Resection (plantar and dorsal approach)
 - Translational and Repositioning Osteotomies of the Midfoot
- **Plastic Surgery**
 - Rotational and Transpositional Flaps
 - Surgical Indications
 - Forefoot Amputation Planning
- **Posterior Muscle Group Lengthening**
 - Percutaneous TAL
 - Gastrocnemius Recession
- **Forefoot & Midfoot Osteotomies**
 - Shortening and Dorsiflexory Osteotomies of the Forefoot
 - Metatarsal Head Resection (plantar and dorsal approach)
 - Translational and Repositioning Osteotomies of the Midfoot
- **Plastic Surgery**
 - Rotational and Transpositional Flaps
 - Surgical Indications
 - Forefoot Amputation Planning
- **Medial Column Stabilization**
 - Locking Plate (understanding the constructs and surgical indications)
 - Intramedullary Beaming Techniques
- **Rearfoot Reconstruction and Salvage**
 - Partial Calcanectomy
 - Total Calcanectomy
 - Appropriate Staging with Acute vs. Chronic Infection

Diabetic Deformity Objectives

- Effectively evaluate and manage diabetic patients with complex deformities.
- Gain knowledge and experience in the execution of procedures for complex Charcot deformities.
- Understand locking plate technology and indications for its use.
- Understand risk stratification in limb salvage vs. limb amputation.
- Gain experience in midfoot, rearfoot and ankle amputations.

Faculty

Scott F. Jorgensen, DPM,
FACFAS, Chair

Philip Basile, DPM, FACFAS

Nicholas J. Bevilacqua, DPM,
FACFAS

Troy J. Boffeli, DPM, FACFAS

Paul D. Dayton, DPM, FACFAS

Michael D. Dujela, DPM, FACFAS

Fees

\$175 — ACFAS Member

\$250 — Non-ACFAS Member
