I understand that travel and gathering involves risk of sickness, including sickness from COVID-19. I waive and release the American College of Foot and Ankle Surgeons and its sponsors and exhibitors, and their employees and agents, from and against claims, liabilities and expenses arising from injury, sickness or death from contraction or spread of COVID-19 or other communicable disease due to travel to or attendance at an event sponsored by the American College of Foot and Ankle Surgeons. This waiver and release is binding on me and my heirs and successors.

Safety and Programming Acknowledgment

Over the past few months, the timing and regulations regarding in-person events has continually shifted in response to the COVID-19 vaccination and recovery efforts. ACFAS will follow all safety procedures, in addition to the policies set by Mandalay Bay, for this event. As of March 15, the State of Nevada has started to gradually ease some restrictions relative to running events. These may continue to change up until the event and ACFAS will respond accordingly. Please watch your e-mail or the ACFAS website for the latest information. The changing regulations required a reimagined format for this year’s event, including transitioning several programs to a virtual format.

I understand the state and local safety regulations continue to change. I agree to comply with all safety regulations at the time of this event and have reviewed the 2021 program.
