Registration Cancellation - All cancellations for Resident's Day must be received in writing, via e-mail, fax or mail. ACFAS incurs significant expenses prior to the event, so to minimize losses it is necessary that we maintain the following refund and cancellation policy:

Requests received by April 26, 2021: a full refund will be provided for all cancellations, less a \$35 administrative fee. After April 26, 2021: no refunds will be provided. Exceptions will be considered for extenuating circumstances only, such as medical issues or a death in the family.

An alternate attendee from the same organization may be substituted at any time prior to the conference start with no penalty. However, if the original attendee is an active member and alternate is not, the difference in member/non-member rate must be paid at the time of substitution.

Event Cancellation/Postponement

ACFAS reserves exclusive right to modify, postpone/reschedule or cancel programs for any reason, including but not limited to emergency, inclement weather, or other 'acts of God'. Every attempt will be made to re-schedule and registration fees will be applied to the rescheduled event date. Any travel, lodging, or incidental expenses incurred cannot be refunded by ACFAS under any circumstance. You may wish to consider personal travel insurance for such expenses. If a cancelled event cannot be rescheduled, ACFAS will determine an equitable basis for the refund of a portion, or all, of the registration fee.
