3 Cs of Deformity Correction Seminar
Controversies, Challenging Cases and Complications

November 4-5, 2017
The McCormick
Scottsdale
Scottsdale, AZ
Introduction:
Looking to take your practice to the next level? This in-depth, advanced seminar will provide an intimate opportunity to review cases from experienced faculty dealing with difficult clinical scenarios. There will be multiple concise lectures highlighting higher level management strategies for complex reconstructive cases and the controversies that surround them. There will be opportunities for break-out sessions and case presentations with interactive discussions, problem solving and case resolution. Upon completion of this seminar, the audience will have heard first-hand perspectives from their peers sharing how they manage challenging reconstructive cases. You can incorporate this knowledge into your daily practice, manage your way through difficult complications, and ultimately improve patient care.

Learning Objectives:
• Use current evidence-based practices to help improve surgical decision making
• Identify and avoid surgical pitfalls and complications
• Appropriately manage complications when they occur
• Technical tips and tricks from experienced faculty to help improve surgical outcomes
• Manage patient cases involving staging principles, positioning, and fluoroscopy methods

Accreditation

The American College of Foot and Ankle Surgeons (ACFAS) is approved by the Council on Podiatric Medical Education as a provider of continuing education in podiatric medicine. The ACFAS has approved this activity for a maximum of 14.0 Continuing Education Contact Hours.

California Radiology Credit: Every hour of lecture in scientific sessions can confer up to 0.6 hour of radiology credit.

Disclaimer

ACFAS courses are made available as an educational service to its members and other members of the podiatric profession. The ACFAS has not independently evaluated the content or techniques discussed or demonstrated by any faculty member. The ACFAS does not warrant or endorse any content or technique discussed or demonstrated by any faculty member. Statements about commercial products are solely the opinion(s) of the presenter(s) and do not represent a College endorsement or evaluation of these products. Additionally, any instrumentation shown/demonstrated during this program may or may not have received FDA approval.

Photographs/Videos

Audio/video taping or recording or photographing of sessions is prohibited. ACFAS routinely takes photos or video of participants in meetings and other program venues for news and other purposes. By registering for the program, you grant ACFAS permission to utilize photos of you taken at the program for ACFAS purposes.

Tax Deduction for Education Purposes

In the United States, an income tax deduction may be allowed for education expenses undertaken to maintain or improve professional skills. This includes registration, travel, meals and lodging, subject to applicable limitations (see Treas. Reg. 1.162-5: Coughlin v Commissioner, 203 F.2d 307 (2d Cir.1953)).

Attendees with Special Needs

If you have special needs addressed by the Americans with Disabilities Act, or if you have special dietary needs, notify us at the time you register. Kosher meals can only be provided if requested at least two (2) weeks prior to the start of the program. E-mail: hjelm@acfas.org or phone: 800-421-2237.

Attire

Business casual attire.

Cancellation Policy

Cancellation requests must be in writing. ACFAS incurs significant expenses prior to the event, so in order to minimize losses it is necessary that we maintain the following refund and cancellation policy:

Requests received by October 13, 2017: a full refund will be provided for all cancellations, less a $75 administrative fee. After October 13, 2017: no refunds will be provided. Exceptions will be considered for extenuating circumstances only, such as medical issues or a death in the family.

An alternate attendee from the same organization may be substituted at any time prior to the conference start with no penalty. However, if the original attendee is an active member and alternate is not, the difference in member/non-member rate must be paid at the time of substitution. Once a registration is made, it is considered final.

ACFAS is unable to assume risk or responsibility for the registrant’s time or expenses should an act of God, government action, aviation disruption, disaster, weather, or other force beyond the control of ACFAS make it inadvisable or impossible to conduct this event. The registrant may wish to consider purchasing personal travel insurance to insure his/her expenses.
