American College of Foot and Ankle Surgeons Position Statement on COVID-19 Crisis

Approved by the ACFAS Board of Directors, April 2020

COVID-19 has created an unprecedented healthcare crisis in the United States. As leaders in foot and ankle surgery, ACFAS supports its member physicians' and surgeons' voluntary contribution during this crisis to their level of education, training, experience, and expertise. Additionally, the College supports state and federal efforts to temporarily mobilize our physicians and surgeons, within their training and expertise, without regulatory impediment during the COVID-19 national health emergency.
