---

---

---

---

---

---

---

---

### Top Reasons for Being a Student Club Member

1. ACFAS is the leading and most respected authority in the field and provides networking with over 7,000 foot and ankle surgeons.
2. Being an ACFAS Student Club member gives you access to the latest information, research, techniques in the surgical field of foot and ankle surgery.
3. Being an active ACFAS Student Club Member gives you visibility and helps build your resume as we begin our professional careers after training is completed in residency.

---

---

---

---

---

---

---

---

### Top Reasons for Being a Student Club Member

4. Involvement in Regional Divisions. The 14 ACFAS Regional Divisions offer the opportunity to connect with other members through local seminars, meetings and labs. Regional divisions also offer scholarships and grants to students and residents.
5. All Student members receive an official ACFAS Pin!
6. Career Center offering opportunities for job seekers and employers. All at no cost via [PodiatryCareers.org](http://PodiatryCareers.org)

---

---

---

---

---

---

---

---

### Student Club Member Benefits - School

## E-Learning

The class will start when you are ready.

CLINICAL SESSIONS | SURGICAL TECHNIQUES | PODCASTS

Learn from the educational offerings from previous Annual Scientific Conferences. These online presentations are available to members and non-members at no cost. Continuing education contact hours are available to ACFAS members.

Medical Bookstore

ACFAS is proud to offer the most complete source of medical references and textbooks in the foot and ankle surgery field. Read the latest information from leading authors in the industry.

Choose to purchase these videos individually (online only) or in a complete set (DVD-ROM or online):

- Surgical Techniques: Reconstruction
- Surgical Techniques: Diabetic Surgery
- Surgical Techniques: Common Foot
- Surgical Techniques: Trauma

Whether it's a discussion about trends or a dialogue generated by different schools of thought, people are talking — join the conversation!

Practice Management

View these online presentations to help you in managing your practice.

## E-Learning

### Clinical Sessions

**125840: Focus on the Forefoot**  
 These online presentations are ACPAT educational offerings from previous Annual Scientific Conferences. The "125840: Focus on the Forefoot" presentations are available to residents and fellows at no cost. Continuing Education credit is available to ACPAT members.  
**Accreditation Statement:**  
 The American College of Podiatry and Orthopedic Surgeons is approved by the Council on Podiatric Medical Education as a sponsor of continuing education for podiatrists.  
**Designation Statement:**  
 The American College of Podiatry and Orthopedic Surgeons designates these educational activities for CPEU: Continuing Education Contact Hours. Physicians should only claim credit commensurate with the extent of their participation in the activity.  
**Learning Objectives:**  
 At the conclusion of this activity, the participant will be able to:  
 1. Review a long approach to the 2nd MPJ, anatomy, and practice.  
 2. Evaluation of the extent of range of motion testing in medial surgery.  
 3. Treatment of a patient with a plantar fascia injury.  
 4. Treatment and evaluation of noninfectious myofascitis.  
**CPEU CE credit available:** 1.0 hour  
**Total Run Time:** 18:20 min (18:20)  
**Format:** Online, non-interactive  
**Exam Fee:** Release Date: February 2013
