CASPR Update

- Change in Match Week from March 18-22 to March 11-15.
 - APMSA request to AACPM Board & COTH
 - MD/DO Match announcement always the 3rd Friday in March with Match Week beginning Monday that week
 - Approved by COTH and AACPM Board
 - DPM Match will continue to align with the MD/DO Match in future years
- As of January 4, 609 of 620 approved positions in the match for an applicant pool of 608.
- End of cycle is April 2 to download any data from CASPRweb.

Offering residency positions prior to the Match

- CPME 320: 3.3

The sponsoring institution shall not obtain a binding commitment from the prospective resident prior to the date established by the national resident matching service in which the institution participates.

That date is Match Day, this year March 15, 2019.

- The CASPR Agreement requires that a program:
 - Not demand or require that an applicant state how he/she will or did rank the institution/program on any program selection form.
 - Make all residency offers and require all residency commitments only after the CASPR match is complete.

CRIP Update

- COTH held two Town Hall meetings at CRIP
 - Joint presentation by CPME and COTH
 - CPME shared selected results from its survey of the community of interest
 - Audience feedback was solicited by COTH on questions of:
 - institutional compliance related to verbal offers prior to the match,
 - PD qualifications,
 - creating milestones, and
 - Certain MAVs
 - CPME shared next steps in the process

Back In Old Frisco Again: CRIP 2020-2022

- Robust national search
- Used professional meeting planning consultant
- Multiple properties in multiple locations vetted—Frisco, Las Vegas, Orlando, Chicago, Scottsdale, Atlanta
- Meeting requirements for CRIP severely limit locations capable of hosting the event
- Only 2 locations met needs: Chicago and Frisco
- Advantages to Frisco over Chicago
