## 2024 Student, Resident, Post Grad Fellow Poster/Manuscript Support

1. ACFAS will send out a solicitation in advance of the Annual Scientific Conference to all ACFAS Student Club, Resident and Post-Grad Fellow members and all Residency/Fellowship Directors, making them aware of funds available from the Regions, and laying out the process for support to be received.
2. The poster and/or manuscript must be accepted for presentation by ACFAS, must be displayed/presented at the conference, and an electronic version of the poster must be allowed to be posted on the supporting Region's website.
3. The student, resident or post-grad fellow must be a member in good standing of ACFAS or ACFAS Student Club.
4. All applicants must complete the standard application (see attached) and submit it to their Region President.
5. If an applicant's poster/manuscript is accepted for Region funding support, the author(s) are expected to attend the conference. Authors receiving support are required to attend their Region's meeting to be held at the conference in Tampa.
6. Standard amount to be provided by all Regions:

Accepted Posters:	\$250.00
Accepted Manuscripts:	\$500.00

*The actual number of awards may vary by Region, year to year, and will be determined on an annual basis.*

7. The application process will occur in advance of the conference: the provision of funding will occur at or after the conference, once all requirements have been met.
