ACFAS Secretary/Treasurer Statement – Tatyana A. Hamilton, DPM

I am writing to express my interest in the ACFAS Great Lakes Region Secretary/Treasurer position. I am a board-certified foot and ankle surgeon with TriHealth Orthopedic & Spine Institute and have been involved in leadership, education, and organized medicine throughout my career. I currently serve as Vice President of the Southern Region of the Ohio Foot & Ankle Medical Association, as faculty attending for the TriHealth Podiatric Surgery residency program, and as a participant in the Chris Mahaffey Leadership Development Program, Class of 2027.

I would appreciate the opportunity to support the Great Lakes Region through strong organization, financial oversight, and service to our members. I value the role ACFAS plays in our profession and would be glad to contribute in this capacity.
