Discover Foot & Ankle Surgical Intelligence

Las Vegas
February 22 — 26, 2010
Mandalay Bay Hotel & Casino

Your peers agree: The American College of Foot and Ankle Surgeons Scientific Conference is the most valuable clinical program in the profession...
Where else can you find...

Up to 34 CME hours (including pre-conference programs) • Cutting edge clinical and practice management topics • The most trusted and respected speakers • Eleven meal events included • Over 200 scientific posters • Hands-on cadaver and sawbones workshop • 80,000 square feet of exhibits • Manuscripts...and more.

Join 1,200+ of your peers for fellowship, intelligence, and value.
This meeting is an annual part of my keeping current with science, colleagues, and research. As far as I’m concerned, it’s not optional.
John S. Steinberg, DPM, FACFAS, Washington, D.C.

I have attended every year since 2005 and I “get back” far more than my registration fee to attend. I especially enjoy the cadaver courses, manuscripts, and research projects.
Monica Schweinberger, DPM, AACFAS, Cheyenne, WY

If you are looking for a quality conference that offers the hottest topics presented by some of the most reputable and respected surgeons in our profession, then look no further; the ACFAS Conference is the place to be! See you in Vegas!
Trent K. Statler, DPM, FACFAS, Beaufort, SC

I especially like the point-counterpoint debates and personal experiences that are integrated into the lectures. They are always interesting and sometimes generate heated debates!
Thanh L. Dinh, DPM, FACFAS, Boston, MA

The mix of the thought leaders from across the country all in one place is invaluable. It’s also a great time to reconnect with classmates and colleagues.
Thomas J. Chang, DPM, FACFAS, Santa Rosa, CA

The research posters in the Exhibit Hall are always a must see as they represent the myriad of research being performed on a national level. They showcase unusual case reports to the multi-center trials evaluating new treatments as well as the relevancy of current therapies.
Roya Mirmiran, DPM, FACFAS, Albuquerque, NM
ACFAS, Vegas and Mandalay Bay…
a winning combination!

Even in the depths of the recession last winter, the American Association of Orthopaedic Surgeons had their biggest annual conference attendance ever.

Why? Vegas, baby!

Our host hotel, Mandalay Bay, is the hottest hotel on the Las Vegas Strip, with

- Rodeo Drive-name restaurants
- House of Blues
- Broadway production of “Lion King”
- Vegas’ largest water park
- Boutiques
- Spacious guest rooms
- And yes, the casino.

And avoid long walks…take an elevator to the conference!

Stay at Mandalay Bay for the best rate…and prizes!

The special ACFAS group hotel rate is $189…
IF you book your room by January 21.
(And if the hotel lowers their rates, you’ll win that bet too!)

And when you book your Mandalay Bay hotel room, you’ll automatically be entered into a drawing for these special prizes:

- Five winners – two tickets to “The Lion King” Show
- Four winners – Spa treatments worth $150

To make Mandalay Bay hotel reservations

Call 877-632-7000 or 702-632-7000 or book online at www.acfas.org/lasvegas before January 21, 2010 and specifically ask for the ACFAS group rate of $189 single or double occupancy. Rates may change after January 21.
Tuesday, February 23  
6:15 – 7:30 pm  
**Opening Reception**

Before heading out to the Las Vegas Strip, you’ll want to be sure to stop by the Opening Reception. This is THE place to meet, greet and network with classmates, colleagues, and new friends, while enjoying an assortment of great food and beverages.

Tuesday, February 23  
5:00 – 6:00 pm  
**Young Members Reception (by invitation)**

Just for invited Young Members (five years or less, plus residents and students). You’ll meet the College’s current leadership and past presidents – the visionaries who over the past 68 years have led your new profession from chiropodists to podiatrists to foot and ankle surgeons. Don’t miss the great food, beverages, and prize drawings. Meet your new professional peers here!

Tuesday, February 23 - Thursday, February 25  
**Meet Scientific Poster Authors**

Don’t miss the profession’s largest scientific poster display with over 200 award-winning research projects from around the world. Authors are invited to answer questions at their display on Tuesday and Wednesday at 1 pm.

Wednesday, February 24  
12:00 Noon – 1:00 pm  
**ACFAS Honors and Awards Ceremony**

Congratulate your colleagues who win Manuscripts, Poster, Honor and Merit Awards. The year’s best research which offers award-winning solutions will be recognized. In addition, new Fellows will be presented their College keys and the 2010-2011 Board of Directors will be introduced.

Thursday, February 25  
6:30 pm  
**A Titanic Night on the Strip! (separate fee)**

Our annual closing party will start at the spectacular Titanic Artifact Exhibition, a remarkable exhibit featuring hundreds of actual pieces from the Titanic wreckage. You’ll also walk through full-scale reproductions of the Grand Staircase, Promenade Deck, and a first-class cabin. Then you’ll enter the exciting LAX Nightclub to enjoy a lively evening of cocktails, dinner, and music.

Exposition Show Hours

Tuesday, February 23, 2010
10:00 am – 4:00 pm

Wednesday, February 24, 2010
9:30 am – 4:00 pm

Thursday, February 25, 2010
9:30 am – 2:00 pm
The lecture tracks and workshops allow you to individualize the conference to suit your own needs. The quality and value of this conference is unmatched by any other conference I've attended.

John T. Marcoux, DPM, FACFAS, Cambridge, MA

TUESDAY, FEBRUARY 23, 2010

7:15 – 8:15 am

2 Surgical Evolution
Moderator: Jordan P. Grossman, DPM

In biology, evolution is the process of change in the inherited traits of a population of organisms from one generation to the next. We see the same generational shifts with surgical techniques. Our panelists will discuss the thinking in a lifecycle of various surgical techniques to the arc of a surgeon's career.

Panel:
Luke D. Cicchinelli, DPM
Richard Derner, DPM
Christopher F. Hyer, DPM
Gary P. Jolly, DPM
John J. Stienstra, DPM
Lowell Scott Weil, Sr., DPM

8:30 – 10:00 am

Opening General Session

40 Years of Discovery in Foot and Ankle Surgery
Speaker – Sigvard T. Hansen, MD, FAAOS

Dr. Sigvard T. Hansen has often been called the "father of modern traumatology." His innovations of aggressive and expeditious orthopedic care of patients revolutionized the field of foot and ankle surgery. With over 40 years of surgical experience, Hansen has seen it all. He has influenced many physicians with his unflinching accounts of true cases with a voice that is both candid and compelling.

Hansen is professor at the University of Washington and Director of the Sigvard T. Hansen Foot and Ankle Institute in Seattle. Returning to the ACFAS podium, Hansen's passion and energetic style will set the stage for discovering foot and ankle intelligence at the ACFAS 2010 Annual Scientific Conference.
10:30 am – 12:00 Noon
Heel Pain (Video)
Moderator: D. Martin Chaney, DPM

10 Collaborative Care: The Use of Consultants (PICA) *(Attend and be eligible for 10% premium discount)*

Speakers:
John V. Guiliana, DPM
Neil S. Kornfeld, Esq.

This lecture will focus on the risks of failure to timely refer a patient to a specialist. It will include a discussion of medical malpractice and the legal and financial implications of allegations of failure to refer, common risks associated with failure to timely refer, situations in which the podiatrists should consider referral, the benefits of collaborative care, and optimizing the referral process. The lecture will also address the podiatrist's responsibilities when acting in the role of a consultant. Actual case examples will be presented.

Internet Communication and Social Media: How do you position your podiatric practice for the new communication world?
Moderator: Christopher L. Hendrix, DPM
Speakers: Glenn L. Lombardi, President, Officite LLC
Lynn Homisak, President, SOS Healthcare Management Solutions

Move your practice into the new millennium of communication in the healthcare world. Search engines have become the new phone book directory for generating new patients. Learn about:

• Google and Yahoo’s new technologies
• Google 12-pack, patient reviews
• Mobile/handheld Internet search experience
• Explosive growth of social networking, video, blogs
• How to set-up numerous social sites fast and easy to mirror your Web site presence

We will discuss best practices for content updates, site exposure and use new medium to help increase your referral network.

2:00 – 3:30 pm
Ethics
Moderator: Michael S. Downey, DPM
Ethicist: Rabbi Elizabeth Beyer, RN, MS, JD

Ethical dilemmas occur in every practice and require us to make difficult decisions. The session panelists will discuss specific cases and explain the thought process that led to their conclusions. Guest ethicist will then review the physician panelist’s case/decision and explain why he/she agrees or disagrees with the decision that was made.

5:30 – 5:50 pm
Evidence of Bone Stimulators
Paul D. Dayton, DPM

5:50 – 6:00 pm
Q&A

4:00 – 6:00 pm
Charcot Dilemmas
Moderator: John S. Steinberg, DPM

4:00 – 4:20 pm
Adjunctive Management of the Charcot Patient
Allen M. Jacobs, DPM

4:20 – 4:40 pm
When to Cut
Thomas S. Roukis, DPM, PhD

4:40 – 5:00 pm
Delayed Charcot Reconstruction
Christopher Bibbo, DPM

5:00 – 5:20 pm
Acute Charcot Reconstruction
Shannon M. Rush, DPM
Charcot Dilemmas continued

5:20 – 5:40 pm
Fixation Choices for Reconstruction
Guido A. LaPorta, DPM

5:40 – 6:00 pm
Exostectomy Works Best
Alan R. Catanzariti, DPM

4:00 – 6:00 pm
Surgical Pearls
Moderator: Laurence G. Rubin, DPM

In this session you will learn the thought process each panelist employs when selecting and performing a variety of rearfoot, forefoot, ankle and trauma procedures.

Panelists:
David J. Calderella, DPM
Kris A. DiNuici, DPM
Harold D. Schoenhaus, DPM
James L. Thomas, DPM

4:00 – 6:00 pm
Military Foot and Ankle Update
Moderator: Col. Claudia L. Sands, USAF, DPM, FACFAS

Treatment of a military population entails unique challenges in maintaining a healthy fighting force. In this session military physicians will present case reports that will increase your diagnostic skills and enhance your knowledge of military medicine. Bring your questions and comments. All civilians welcome!

2:00 – 6:00 pm
Cavus Workshop ($125)
Moderator: John E. Cade, DPM

This workshop is designed to evaluate this complex deformity and then identify the appropriate surgical procedures for correction. The course will cover a wide variety of surgical procedures including tendon transfer/rebalancing, osteotomies and arthrodesis procedures.

Faculty:
Stephen A. Brigido, DPM
Richard Derner, DPM
Christopher F. Hyer, DPM
Bradley M. Lamm, DPM

2:00 – 6:00 pm
31 Tendon Workshop ($125)

Sponsored by an Educational Grant from ArthroCare Sports Medicine

Moderator: Mark A. Hardy, DPM

2:00 – 2:10 pm
FDL to PT Transfer

2:10 – 2:20 pm
FHL Transfer for Achilles Reconstruction

2:20 – 2:30 pm
Achilles Repair (Primary)

2:30 – 2:40 pm
PT Transfer for Dropfoot

2:40 – 2:50 pm
Peroneal Tendon Ankle Stabilization

2:50 – 3:00 pm
Split Anterior Tendon Transfer

3:00 – 6:00 pm
Lab

Faculty:
D. Martin Chaney, DPM
Paul D. Dayton, DPM
Lawrence A. DiDomenico, DPM
Jordan P. Grossman, DPM
Amber M. Shane, DPM
John J. Stienstra, DPM
THURSDAY, FEBRUARY 25, 2010

7:30 – 9:30 am

**Myth Busters**
Moderator: Troy J. Boffeli, DPM

7:30 – 7:40 am
**The Mystery of Cortisone Injections**
Scott C. Nelson, DPM

7:40 – 7:55 am
**Are Locking Plates Better?**
Lawrence A. Ford, DPM

7:55 – 8:10 am
**Is Equinus the Root of All Evil?**
Paul J. Kim, DPM

8:10 – 8:25 am
**Weight-bearing the Post-op Patient**
Christopher Bibbo, DPM

8:25 – 8:35 am
**Should I Fix This Achilles Rupture?**
Christopher L. Reeves, DPM

8:35 – 8:50 am
**Prophylactic Peri-op Antibiotics**
Paul D. Dayton, DPM

8:50 – 9:05 am
**5th Metatarsal Base Fractures**
Keith L. Jacobson, DPM

9:05 – 9:20 am
**Is EBM Under or Over Emphasized?**
Troy J. Boffeli, DPM

9:20 – 9:30 am
Q&A

7:30 – 9:30 am

**First Ray Forum**
Moderator: Eric A. Barp, DPM

7:30 – 7:50 am
**1st MPJ DJ the Great Debate – Decompression vs. Fusion**
Richard Derner, DPM vs. Philip Basile, DPM

7:50 – 8:10 am
**Proximal Osteotomy vs. Lapidus**
Luke D. Cicchinelli, DPM vs. Mary E. Crawford, DPM

8:10 – 8:30 am
**DMO for High IMA**
Edwin L. Blitch, IV, DPM vs. Jordan P. Grossman, DPM

8:30 – 8:50 am
**Persistent Hallux Adductus—Is It PASA’s Fault?**
Stephen M. Schroeder, DPM vs. Steven D. Vyce, DPM

8:50 – 9:10 am
**Hypermobility**
Jeffrey C. Christensen, DPM vs. Thomas S. Roukis, DPM, PhD

9:10 – 9:20 am
Q&A

9:20 – 9:30 am
**ACFAS 1st MTPJ Multi-Center Trial Update**
Paul J. Kim, DPM
7:30 – 9:30 am
34 The Not-So-Simple Sport Injury
    Moderator: Lowell Scott Weil, Sr., DPM

    7:30 – 7:50 am
    Managing the Coach
    Stephen V. Corey, DPM

    7:50 – 8:10 am
    External Compartment Syndrome
    Robert J. Duggan, DPM

    8:10 – 8:30 am
    Ankle Sprain
    Michael M. Cohen, DPM

    8:30 – 8:50 am
    Achilles Injuries
    Michael S. Lee, DPM

    8:50 – 9:10 am
    Turf Toe
    John T. Marcoux, DPM

    9:10 – 9:30 am
    Q&A

10:00 am – 12:00 Noon
35 Accelerated Practice Strategies
    Moderator: Brian S. Harley, DPM

    10:00 – 10:20 am
    New Practice Directions
    Transition from Private Practice to Institutional/
    Legal Issues with Practice Separation
    Brian S. Harley, DPM

    10:20 – 10:40 am
    Cost Effective Practice Strategies
    Douglas G. Stoker, DPM

    10:40 – 11:00 am
    How to Build a Practice
    Brian S. Harley, DPM

    11:00 – 11:20 am
    EMR — What You Need to Know (Pros and Cons)
    Douglas G. Stoker, DPM

    11:20 – 11:40 am
    Updated Coding ICD/CPT
    Christine E. Weikert, DPM

    11:40 am – 12:00 Noon
    Q&A
10:00 am – 12:00 Noon

**Pediatric Flatfoot**
*Moderator: Luke D. Cicchinelli, DPM*

10:00 – 10:20 am
Evaluation — What to Do and When to Do It
*Michelle L. Butterworth, DPM*

10:20 – 10:40 am
Tarsal Coalitions
*Michael S. Downey, DPM*

10:40 – 11:00 am
Arthroereisis
*Steven D. Vyce, DPM*

11:00 – 11:20 am
Soft Tissue Procedures (Kidner Suspension)
*Luke D. Cicchinelli, DPM*

11:20 – 11:40 am
Osseous Reconstruction (Combined procedures)
*Donald E. Buddecke, Jr., DPM*

11:40 am – 12:00 Noon
Q&A

---

10:00 am -12:00 Noon

**Rethinking End-stage Ankle Arthritis**
*Moderator: Jerome K. Steck, DPM*

10:00 – 10:15 am
Fusion vs. TA Indications
*Lawrence A. DiDomenico, DPM*

10:15 – 10:35 am
Biomechanics of Available Implants
*Jeffrey C. Christensen, DPM*

10:35 – 10:55 am
Converting Fusion to Implant
*John M. Schuberth, DPM*

10:55 – 11:15 am
Complications of Implants
*Robert W. Mendicino, DPM*

11:15 – 11:35 am
Salvage of Failed TAR
*John M. Schuberth, DPM*

11:35 – 11:45 am
EBM—Is Fusion Still Best?
*Jerome K. Steck, DPM*

11:45 – 12:00 Noon
Q&A

**12:00 Noon – 2:00 pm: Lunch in Exhibit Hall**
2:00 – 3:30 pm

38 **Asymptomatic Surgery (YMR)**
*Moderator: G. Dock Dockery, DPM*

**Topics:**
- Asymptomatic bunion, flatfoot, pediatric
- Digital Deformity
- Hallux Rigidus
- Asymptomatic Fracture
- Non-union
- Charcot

**Panel:**
Paul D. Dayton, DPM
Kris A. DiNucci, DPM
Sean T. Grambart, DPM
Meagan M. Jennings, DPM
Harold D. Schoenhaus, DPM

2:00 – 3:30 pm

39 **Imaging**
*Moderator: Michelle L. Butterworth, DPM*

2:00 – 2:15 pm
**The Use of Diagnostic Ultrasound**
*Robert J. Duggan, DPM*

2:15 – 2:30 pm
**Advances in MR Imaging**
*Roya Mirmiran, DPM*

2:30 – 2:45 pm
**Imaging Techniques in Infections**
*Michele L. Butterworth, DPM*

2:45 – 3:00 pm
**The Use of 3-D CT Scans in Trauma**
*David R. Collman, DPM*

3:00 – 3:15 pm
**Imaging of a Foreign Body**
*John L. Etcheverry, DPM*

3:15 – 3:30 pm
Q&A

2:00 – 3:30 pm

40 **Not-So-Simple Trauma**
*Moderator: Edwin L. Blitch, IV, DPM*

2:00 – 2:15 pm
**Treatment of 5th Metatarsal Base Fracture**
*John T. Marcoux, DPM*

2:15 – 2:30 pm
**Stress Fractures (Navicular, calcaneal, cuboid, fibular)**
*Edwin L. Blitch, IV, DPM*

2:30 – 2:45 pm
**Management of Metatarsal Fractures**
*Lawrence M. Fallat, DPM*

2:45 – 3:00 pm
**Puncture Wounds**
*Brent D. Haverstock, DPM*

3:00 – 3:15 pm
**Repair of the Neglected Tendon Rupture**
*James L. Thomas, DPM*

*John J. Stienstra, DPM*

5:45 – 6:00 pm
Q&A /Panel Discussion

---

2:00 – 6:00 pm

**Flatfoot Workshop ($125)**

* Moderator: Daniel J. Hatch, DPM

Topics/Procedures:
- Gastrocnemius Recession
- Evans Calcaneal Osteotomy
- Medializing Calcaneal Osteotomy
- Naviculocuneiform Arthrodesis
- FDL to PT Transfer

*Faculty:*
*Donald E. Buddecke, Jr., DPM*
*Thomas J. Chang, DPM*
*Stephen V. Corey, DPM*
*Amber M. Shane, DPM*
2:00 – 6:00 pm

47 Ultrasound Workshop ($125)
Moderator: William H. Simon, DPM
Faculty: TBD

This workshop is designed to introduce the physician to the many uses of Foot and Ankle MSK Ultrasound in daily practice with intra-operative surgical and MRI correlation. Biopsy and injection techniques will be taught. MSK Ultrasound terminology and sample dictation reports will be provided.

48 Heel Ulcer Workshop ($125)
Moderator: Thomas S. Roukis, DPM, PhD
Faculty:
Christopher L. Hendrix, DPM
Travis L. Sautter, DPM
John S. Steinberg, DPM
Steven D. Vyce, DPM

In this hands-on workshop the attendee will understand the pathogenesis of heel decubitus ulceration, modern staging classifications, prevention modalities, as well as, conservative wound care and surgical management strategies and techniques.

Procedures:
- Partial debridement
- Sub total calcanectomy
- Local flaps
- Reverse Sural Artery flap
- Prosthetic options and post care

49 A Titanic Night on the Strip ($40)

This event promises to end your Las Vegas experience on a memorable note — a tour of the fascinating Titanic Artifact Exhibition. This remarkable exhibit features a full-scale reproduction of the Grand Staircase and the outer Promenade Deck, complete with the frigid temperatures felt on that fateful April night.

Then move on to the gorgeous LAX Nightclub, a favorite watering hole of the stars, where you’ll enjoy a lively evening of cocktails, dinner, music, and dancing.
FRI DAY, FEBRUARY 26, 2010

8:00 – 10:00 am

50 Best and Worst Cases of 2009
Moderator: John E. Cade, DPM

Each foot and ankle surgeon panelist will discuss their most recent difficult case(s) — both the good and the bad.

Panelists:
Philip Basile, DPM
Donald E. Buddecke, Jr., DPM
Thomas J. Chang, DPM
George S. Gumann, Jr., DPM
Steven D. Vyce, DPM

10:00 – 10:15 am: Break

10:15 am – 12:15 pm

51 Adult Acquired Flatfoot — Debate
Moderator: Michael S. Lee, DPM

10:15 – 10:35 am
Non-operative vs. Operative Stage 1
John L. Etcheverry, DPM vs. John T. Marcoux, DPM

10:35 – 10:55 am
Lapidus vs. Cotton
Donald E. Buddecke, Jr., DPM vs. Kris A. DiNucci, DPM

10:55 – 11:15 am
Arthrodesis — How Many Joints to Fuse
Glenn M. Weinraub, DPM vs. Jordan P. Grossman, DPM

11:15 – 11:35 am
Fusion vs. Salvage
Byron L. Hutchinson, DPM vs. Robert W. Mendicino, DPM

11:35 – 11:55 am
Evans or PDCO
Sean T. Grambart, DPM vs. Christopher L. Reeves, DPM

11:55 am – 12:15 pm
Q&A
Donate Socks at the Conference!

Last year ACFAS collected 2,000 pairs of socks, which were donated to the National Coalition for the Homeless in Washington, DC.

We are again partnering with DOX Podiatry to collect donations of new socks for the homeless of our host city at the 2010 Annual Scientific Conference. Be sure to include one or more packages of socks in your suitcase as you prepare to attend the conference in Las Vegas. Remember: many people have lost their jobs and homes in the past year, and entire families are involved. Men, women and children will all appreciate your help.

Plan to Scan your badge
twice a day in exhibit hall—
Your attendance will be recorded electronically. Booths where you can scan your bar coded registrant badge will be located in the exhibit hall; on Friday morning the scanning booths will be outside the meeting room.

Curbside Consult Case Submission

Do you have an interesting case that proved to be a diagnostic dilemma or presented a management problem? Would you like to present your case in an informal setting to a panel of expert clinicians?

Complete the clinical case form (MS Word) on www.acfas.org/lasvegas

Deadline to submit: December 1, 2009. You will be notified by January 15, 2010 if your case will be presented.
Register online at www.acfas.org/lasvegas

OR

Complete the registration form in this brochure.
Please affix the self-adhesive mailing label from the front of this brochure in the space provided on the registration form, or print clearly or type the information. Be certain to include all required information and submit BOTH pages of the registration form.

Non-ACFAS Member Residents are required to submit a letter (on letterhead) from their Residency Director verifying their Resident status. If you are registering online, fax (800.382.8270) or mail this letter. Processing of your application will NOT be completed until the required verification of Resident status is received by the ACFAS Education Department staff.

Students are required to submit a copy of their student ID card. If you are registering online, fax (800.382.8270) or mail a copy of your ID card. Processing of your application will NOT be completed until the required photocopy of your ID card is received by the ACFAS Education Department staff.

Payment—Full payment, via check or credit card, must accompany your registration form. Forms received with no fee or incorrect fees will not be processed. Make checks payable to the American College of Foot and Ankle Surgeons (in U.S. funds only). You may also pay by American Express, MasterCard or Visa.

Early Bird Fees—Register before December 21, 2009 to take advantage of the early bird registration fee and save. After this date, regular registration fees apply. After February 1, 2010, registration must be on-site. On-site registration will be open Monday, February 22nd from 1:00 to 6:00 pm; and open Tuesday, February 23rd through Thursday, February 25th from 6:30 am to 5:00 pm in the North Convention Center at the Mandalay Bay Hotel & Casino, Las Vegas, Nevada.

Workshops—Space is limited in the hands-on workshops and will be assigned on a first-come, first-seated basis. Workshop fees are non-refundable.

Exhibit Hall Guest Badges—$75 per guest badge. Required for guests 14 years of age or older. Guest badges will admit an individual to the Exhibit Hall Tuesday, February 23rd through Thursday, February 25th. Payment for guest badges may be made when you register for the Conference (see registration form), or you may register guests at the ACFAS on-site registration desk.

“Guest” refers to a family member (including children 14 years of age or older) and office staff members of a physician registered for the Conference. Guest badges are not available for purchase by physicians who are not registered for the conference or by any individual who represents a company that is not a registered exhibitor at this Conference.

Cancellation—All cancellations for the annual conference must be received in writing, via e-mail, fax or mail, NO LATER THAN February 1, 2010. All refund requests will be assessed a $50 administrative fee. No refunds will be given after February 1, 2010. Refunds will not be granted for no-shows or for Annual Conference Workshop fees.

Attendees with special needs—If you have special needs addressed by the Americans with Disabilities Act, or special dietary needs, notify the ACFAS at the time you register. Every effort will be made to accommodate your needs.

Disclaimer
The ACFAS Annual Scientific Conference is made available as an educational service to its members and other members of the medical profession. The ACFAS has not independently evaluated the content or techniques discussed or demonstrated by any faculty member. The ACFAS does not warrant or endorse any content or technique discussed or demonstrated by any faculty member. Statements about commercial products are solely the opinion(s) of the presenter(s) and do not represent a College endorsement or evaluation of these products. Additionally, any instrumentation shown/demonstrated during this program may or may not have received FDA approval.

Photographs/Videos
ACFAS routinely takes photos or video of participants in meetings and other conference venues for news and other purposes. By registering for the conference, you grant ACFAS permission to utilize photos of you taken at the conference for ACFAS purposes.

Tax Deduction for Education Purposes
In the United States, an income tax deduction may be allowed for education expenses undertaken to maintain or improve professional skills. This includes registration, travel, meals and lodging, subject to applicable limitations (see Treas. Reg. 1.162-5: Coughlin v Commissioner, 203 F.2d 307 (2d Cir.1953)).

Conditions of Registration and Attendance
To protect the rights of our exhibitors and the value of our exhibit space, the American College of Foot and Ankle Surgeons (ACFAS) Annual Scientific Conference and the meeting space in which ACFAS events are conducted are not to be used as a venue for marketing products, services, meetings, publications, sponsorships, or memberships except for authorized organizations that purchase exhibit space. Any non-exhibitor found to be in violation of this policy shall be invoiced the fee for one exhibit booth and shall not be admitted to the exhibit hall until such fee is paid in full regardless of membership status.

ACFAS reserves the right to regulate the use of all hotel space in which ACFAS events are conducted, including but not limited to the distribution of promotional materials to guest or meeting rooms. Meeting rooms and hospitality suites may be available for rental by exhibitors and/or organizations authorized by ACFAS. Speakers are requested not to promote non-ACFAS programs since the College cannot attest to the content or quality of such events and such promotion could be interpreted as an endorsement of said event(s).

ACFAS is unable to assume risk or responsibility for the registrant's time or expenses should an act of God, government action, aviation disruption, disaster, weather, or other force beyond the control of ACFAS make it inadvisable or impossible to conduct this event. The registrant may wish to consider purchasing personal travel insurance to insure his/her expenses.

Audio and video recording or photographing of sessions is prohibited.

Please Note: Program content and faculty are subject to change.
Attendees of the American College of Foot and Ankle Surgeons Annual Scientific Conference will be able to discuss and understand:

**Understand deformities of the foot and ankle that cause gait abnormalities and pain.** The panel of experts will expose the attendee to clinical diagnosis and the surgical management of the pediatric and the adult flatfoot and cavus foot. A variety of surgical interventions will be discussed including the selection of the proper procedure and the description of the numerous techniques. Pitfalls and complications will be discussed as well as the development of surgical procedures.

**Develop their own opinion of how to manage specific foot and ankle pathologies based on the subjective criticism of panelists sharing their personal experience with a given topic.** Appreciate various ways of accomplishing successful outcomes with different treatment protocols.

**Treatment and management of forefoot and midfoot pathology.** This includes the etiology and the clinical assessment of the various pathologies and the selection of a variety of surgical procedures and potential clinical outcomes. This knowledge is based upon the current literature and research available and the clinical expertise of the panel of experts.

**Recognize a wide variety of pediatric deformities that can present to the foot and ankle surgeon.** Clinical diagnosis and proper selection of surgical procedures will be emphasized in order to expose the attendee to clinical outcomes and proper management. The panel of experts will use the current literature and their clinical experience to further educate the attendee.

**Appreciate common pathologies that can result in both acute and chronic ankle pain and deformity.** The attendee will become familiar with the various etiologies that can lead to ankle pain. Diagnosis will be discussed based upon clinical signs and symptoms as well as advanced imaging techniques. Treatment protocol will be discussed based on type of pathology and the selection of proper surgical procedures. The panel of experts will expose the attendee to current research and clinical outcomes of the treatment options.

**Recognize various injuries and fractures that can occur in the foot and ankle.** The panel of experts will discuss the initial triage, diagnostic protocol, and the surgical technique of the injuries. The attendee will understand the surgical intervention and the prevention and management of complications that can lead to unsatisfactory outcomes.

**Become familiar with musculoskeletal tumors that can be encountered in the foot and ankle.** The attendee will be able to evaluate soft tissue and bone tumors, determine proper diagnostic imaging, and discuss the surgical and medical treatment options with a variety of tumors.

**Appreciate the medical conditions that can cause pathology of the foot and ankle.** The attendee will be familiar with underlying systemic diseases and how the disease can affect the outcome of surgical intervention. Etiology and surgical techniques will be presented and discussed by the panel of experts. The attendee will understand the ethical issues that can lead to decision making with the patient and surgeon. Complications and proper management will be presented using current evidence-based literature and clinical expertise.

**Attendees will be given the opportunity to expose themselves to a variety of surgical procedures of the foot and ankle through lectures and workshops.** Attendees will be able to learn about osseous and soft tissue surgical techniques, clinical outcomes, and the latest research involving the treatment of foot and ankle pathology, how it can enhance their practices through a hands-on approach.
