Diabetic Surgical Technique: surgery when ulcers are present, primary or delayed closure, avoiding stump overgrowth and more
Elective and Prophylactic Surgery on the Neuropathic Diabetic Foot

Surgical Treatment of Infection

Diagnosis & Treatment of Necrotizing Fasciitis
Diagnosis of Osteomyelitis
Osteomyelitis Surgery
Antibiotic Beads
Diabetic Controversy:
1. Osteomyelitis requires six weeks of IV antibiotics regardless of surgery, antibiotic beads, and other treatments
2. Fixation into previously infected bone IM beaming/IM rodding
Infection Q&A/Panel Discussion

Charcot Foot & Ankle Surgery

Moderator: Laurence G. Rubin, DPM, FACFAS
Charcot Exostectomy vs. Reconstruction
Osteotomy & Arthrodesis for Charcot Reconstruction
External Fixation in Charcot Reconstruction
Super Constructs — Beaming Procedures
IM Nail Technique
Charcot Q&A/Panel Discussion
Indications & Technique for Fixation of the Acute & Unstable Rearfoot and Ankle Charcot
Orthobiologics in Charcot Reconstruction
Post-op Care Protocol for Charcot Reconstructive Surgery
Ankle Fracture ORIF with Advanced Neuropathy Fibula Pro Tibia
Elective Bunion Surgery with Established Neuropathy
Charcot and Neuropathy Q&A/Panel Discussion

FACULTY

Christopher D. Lotufo, DPM, FACFAS – Chair
Advanced Ankle & Foot Centers
Newnan, GA

Philip Basile, DPM, FACFAS
Crimson Foot & Ankle Specialists
Cambridge, MA

Peter A. Blume, DPM, FACFAS
Affiliated Foot Surgeons
New Haven, CT

Troy J. Boffeli, DPM, FACFAS
HealthPartners Specialty Center
St. Paul, MN

Thanh L. Dinh, DPM, FACFAS
Beth Israel Deaconess Medical Center
Boston, MA

Luis E. Marin, DPM, FACFAS
Marin Foot & Ankle Center
Hiialeah, FL

Laurence G. Rubin, DPM, FACFAS
Foot & Ankle Specialists of Virginia
Mechanicsville, VA

FEES

Didactic Only
October 26 and 27
ACFAS Member: **\$695**
Non-Member: **\$850**
Maximum Enrollment: **70**

Optional Skills Wet Lab
Sunday, October 28
(8:00 am – 1:15 pm)
ACFAS Member/
Non-Member: **\$565**
Maximum Enrollment: **30**

SATURDAY, OCTOBER 27, 2012

8:00 – 5:00 pm

Plastic Surgery for Limb Preservation

The Basic Science of Plastic Surgery
Random, Pedicle, and Muscle Flaps
Skin Grafting
Plastic Surgery Complications & Failures
Plastic Surgery Q&A/Panel Discussion/Case Presentations
