# Fusions—Ankle to Toe and Everything in Between (Cadaveric)

**Sunday, February 26, 2017**

**12:00 Noon – 5:00 pm**

**4 Continuing Education Contact Hours**

**Maximum enrollment: 25 registrants**

This workshop is aimed at foot and ankle surgeons interested in improving their know-how and skills in elective foot and ankle surgery. The treatment of degenerative deformities and osteoarthritis are covered by an optimal mix of short lectures and extensive workshops with cadaveric specimens. The high faculty-to-participant ratio ensures a stimulating and interactive learning experience.

**12:00 Noon – 12:30 pm**

**Check-in/Lunch**

**12:30 – 1:30 pm**

**Lectures**

**1:30 – 5:00 pm**

**Wet Lab**

- Toe
- Subtalar Joint
- Midfoot
- Triple
- Ankle Fusion

## Learning Objectives

- Become familiar with different incisional approaches for joint exposure
- Learn dissection techniques to maintain soft tissue envelope and vascularity to exposed joint
- Understand the critical step of proper joint/fusion position
- Become familiar with multiple options of individual joint fixation
- Review of post op management
- Manage patient cases involving staging principles, positioning, and fluoroscopy methods

## Faculty

Shane M. Hollawell, DPM, FACFAS, Chair  
Michael S. Downey, DPM, FACFAS  
Patrick J. McKee, DPM, FACFAS  
Timothy J. Mineo, DPM, FACFAS  
Bryan S. Russell, DPM, FACFAS  
Amber M. Shane, DPM, FACFAS

## Fees

\$175 – ACFAS Member  
\$330 – Non-ACFAS Member
