COMPREHENSIVE RECONSTRUCTION OF THE FOOT AND ANKLE SURGICAL SKILLS COURSE

September 24-25, 2016 (Saturday/Sunday)
MedCure Surgical Training Center
Portland, OR

16 CONTINUING EDUCATION CONTACT HOURS

This unique surgical skills course will look at the “not so straight forward approach” to everyday complex revisions. This course has been designed to spend two-full days working with excellent, approachable faculty to discuss solutions to these complications that show up in our offices.

Explore current controversies and challenges during informal, case-based discussion. Learn the tactics and techniques to manage patients with the complexities of revisional surgery.

COURSE HIGHLIGHTS INCLUDE

- Perform the latest techniques including reconstructive and salvage procedures for the foot and ankle during the hands-on skills lab
- Leaders in the field provide an unbiased view of new technologies and techniques
- Panel and case-based discussions stimulate critical thinking and idea sharing between colleagues

LEARNING OBJECTIVES

- Describe and apply management options for complex foot and ankle revisions, including, 2nd MPJ Factors, joint fusions to address forefoot varus in the valgus foot, joint sparing correction, neglected Achilles ruptures, and salvage procedures for nonunions.
- Compare principles and strategies for treatment.
- Demonstrate treatment strategies for simple and complex revision surgery.
- Manage patient cases involving staging principles, positioning, and fluoroscopy methods.

YOU'LL SPEND MORE THAN 75% OF YOUR TIME IN THE HANDS-ON LAB.

DINNER AND FIRESIDE CHAT

BRING YOUR CASES and enjoy one of the highlights of the course...the fireside chat. **You are encouraged to bring radiographs of your case on USB flash drive or CD.** This session provides a collegial exchange of ideas and dialog on a variety of topics. This is your opportunity to gather opinions and insight from experienced faculty and participants. The fireside is held at the hotel and lasts about two hours during and after dinner on Saturday evening.

ALL ABOUT THE ANKLE SURGICAL SKILLS COURSE

November 5-6, 2016 (Saturday/Sunday)

**Sheraton Suites Fort Lauderdale at Cypress Creek and Mobile Lab
Fort Lauderdale, FL**

16 CONTINUING EDUCATION CONTACT HOURS

This dynamic, one of a kind, state-of-the-art skills course provides hands-on experience for complex primary and revision ankle procedures. This course is unique in its focus on all ankle procedures and pathology from tendons to osseous procedures providing ample cadaveric lab time.

Gain hands-on exposure and practice for the most updated techniques in ankle surgery in order to determine what kind of procedure is best for your individual patients and confidently perform the procedure. Acquire the skills, thought process, and techniques to successfully manage patients with ankle arthritis, ankle fractures, tendon tears and transfers of all complexities, and avoid complications.

Practice surgical approaches focusing on relevant anatomy, new procedures and fixation techniques. Throughout the course, you will interact both one-on-one in the lab and in group sessions with experienced faculty. Case reviews performed with case examples, approaches, and various techniques.

LEARNING OBJECTIVES

- Perform procedures related to ankle pathology.
- Be knowledgeable in contemporary techniques and avoid complications such as infection, nonunion and revisions.
- Be able to perform surgical approaches such as ankle fusions, fracture repair, tendon repair, OCD treatments, ligament instability, and tendon transfers.
- Manage patient cases involving fixation timing, staging principles, and procedure choice.
- Manage patient cases involving staging principles, positioning, and fluoroscopy methods.

GENERAL INFORMATION

Accreditation

The American College of Foot and Ankle Surgeons (ACFAS) is approved by the Council on Podiatric Medical Education as a provider of continuing education in podiatric medicine. The ACFAS has approved each of these activities for a maximum of 16 continuing education contact hours.

California Radiology Credit: Every hour of lecture in scientific sessions can confer up to 0.6 hour of radiology credit.

Course Policies

Course registrants are to bring their own scrubs to wear in the lab.

To participate in surgical skills courses, you will be required to sign a waiver of liability prior to the course. College policy mandates that every individual must wear protective wear provided by the laboratory during the lab sessions in order to participate in these courses.

Disclaimer

The ACFAS surgical skills courses are made available as an educational service to its members and other members of the podiatric profession. The ACFAS has not independently evaluated the content or techniques discussed or demonstrated by any faculty member. The ACFAS does not warrant or endorse any content or technique discussed or demonstrated by any faculty member. Statements about commercial products are solely the opinion(s) of the presenter(s) and do not represent a College endorsement or evaluation of these products. Additionally, any instrumentation shown/demonstrated during this program may or may not have received FDA approval.

Photographs/Videos

Audio/video taping or recording or photographing of sessions is prohibited. ACFAS routinely takes photos or video of participants in meetings and other course venues for news and other purposes. By registering for the course, you grant ACFAS permission to utilize photos of you taken at the course for ACFAS purposes.

Tax Deduction for Education Purposes

In the United States, an income tax deduction may be allowed for education expenses undertaken to maintain or improve professional skills. This includes registration, travel, meals and lodging, subject to applicable limitations (see Treas. Reg. 1.162-5: *Coughlin v Commissioner*, 203 F.2d 307 (2d Cir.1953)).

Attendees with Special Needs

If you have special needs addressed by the Americans with Disabilities Act, or if you have special dietary needs (kosher meals can only be provided if requested one (1) week prior to the start of the course) notify us at the time you register. Phone: 800-421-2237, email hjelm@acfas.org.

Cancellation Policy

Cancellation requests must be in writing. Requests received by the ACFAS four (4) weeks prior to the course date will receive a full refund minus \$75 administrative fee. No refunds will be made for cancellations received less than four (4) weeks prior to the course.

ACFAS is unable to assume risk or responsibility for the registrant's time or expenses should an act of God, government action, aviation disruption, disaster, weather, or other force beyond the control of ACFAS make it inadvisable or impossible to conduct this event. The registrant may wish to consider purchasing personal travel insurance to insure his/her expenses.
