MEDIA ADVISORY AND INVITATION

Get the news first on the latest innovations in foot and ankle surgery being presented at the 78th Anniversary Scientific Conference of the American College of Foot and Ankle Surgeons (ACFAS), February 19-22, 2019 in San Antonio.

Interviews and photo opportunities are now being scheduled with foot and ankle surgeons from the conference. Full embargoed releases are available by request.

What: The 78th Annual Scientific Conference of the American College of Foot and Ankle Surgeons

Where: Henry B. Gonzalez Convention Center, San Antonio

When: Wednesday, February 19-Saturday, February 22, 2020 (Varying hours daily from 7:30am - 6pm CDT)

Why: More than 1,900 foot and ankle surgeons from around the nation will be in San Antonio for the 78th Annual ACFAS Scientific Conference discussing cutting-edge clinical and practice management topics – from the advancements in total ankle replacement to being a step ahead of the injured athlete.

Scientific Conference: Highlights and Interview Opportunities

Prominent foot and ankle surgeons will present on research breakthroughs and innovations in foot and ankle surgical care. Hot topics covered will address the latest in:

- *Diabetic Foot Surgical Treatments*
- *Management of Pediatric Foot Ailments*
- *Repairing Ankle and Foot Trauma*

Interviews with the foot and ankle surgical profession's foremost thought leaders are available on-site or via telephone. Photo opportunities with conference presenters can also be arranged. For more information, please visit the acfas.org. Twitter hashtag: #ACFAS2020.

Registration: ACFAS offers complimentary press registration to credentialed journalists. To request complimentary press registration, please send your name, media affiliation, email address and phone number to Melissa Matusek, CAE: melissa.matusek@acfas.org, (773) 693-9300.

About the American College of Foot and Ankle Surgeons

The American College of Foot and Ankle Surgeons is a professional society of over 7,700 foot and ankle surgeons. Founded in 1942, the College's mission is to promote research and provide continuing education for the foot and ankle surgical specialty, and to educate the general public on foot health and conditions of the foot and ankle through its patient education website, FootHealthFacts.org.
